Re: Ground Lease
6075 Sunset Drive, Miami, Florida 33143

Dear Henry and Patricia:

I recently spoke with JC Freyre and I was informed that you have already obtained the Demolition Permit and are very close to finalizing and receiving the construction permit for the project.

Reviewing the Lease, specifically Section 3.2, I bring to your attention the items that must be satisfied before the demolition commences.

1. ALTA must obtain a firm loan commitment for not less than fifty five percent (55%) of the construction.
2. An additional one million dollars (\$1,000,000.00) has to be deposited through us to Professional Bank.
3. Obtain a Completion and Performance Bond for the maximum guaranteed construction price.
4. Additionally, we would like to receive, when ready, a complete set of the building plans together with a copy of the permits and a copy of your contract with the general contractor.
5. Lastly, please note that as per Article 22 of the Lease, commencing with the September 1st payment the extension fees increase to fifty thousand dollars (\$50,000.00) per month in addition to the Base Rent.

Should you have any questions, please do not hesitate to contact me.

Best regards,
